COUNTERFEIT CAUTION TO PARTIES PURCHASING S. N. PIKE'S Magnolia Whisky,

CINCINNATI, OHIO. THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY would respectfully inform his customers and purchasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfel of the above Whisky, being a poisonous imitation, brande similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive hose who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to cau-tion the public, protect those who are liable to be received, and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the fall extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualitities of Rye and Corn, and is warranted free from any deleterious or obnoxious compound, it being a pure and healthy beverage. Many parties have recently commenced making a brand f Whisky Called Magnelia, but they are an immitation f my trade brand, so be careful and get the only genuine Magnolia Whisky made in the United States, and distilled SAM'L N PIKE, No. 18 and 20 Sycamore-st. As no oder proceeds from the preparation, the glove can a worn immediately after it is cleaned. With a piece of iannel, apply a small portion of the preparation very ightly, and the dirt will instantly disappear. It is the aricle used by the Kid Glove Manufacturers of France to impart that purity of finish and softness for which their loves are so justly celebrated. It cleans kid slippers and white and colored kid gloves elegantly. It is also an ex-ellent article for the toilet and for beautifying the complexion, removing tan, pimples, &c., far exceeds in excel-ence any of the thousand and one preparations usually old for that purpose. One trial, at the triffing expense of 55 cents, will convince any one that the article is all that it is claimed to be. Try a bottle of it for 25 cents, and you rill never wish to be without it.
